1. GENERAL

This regulation states policy and procedures applicable to the promotion of employees (staff employees and staff agents) up to and including grade GS-15. It does not apply to promotions involving grades GS-16, 17, and 18, or to the promotion of employees compensated in accordance with Wage Board, or Negotiated Wage Schedules.

2. POLICY

- Every effort will be made to fill newly created or vacant positions by the promotion or reassignment of qualified Agency employees before external recruitment is undertaken.
- The promotion of employees in grades GS-1 through GS-6 will be made primarily upon recommendation by the Head of the Career Service that the individual occupies a position of the next higher grade and is satisfactorily performing duties commensurate with that grade. Employees in this grade range will normally be considered for promotion at least once each year after entering the zone of consideration.

- c. The promotion of employees ^{from} in grades GS-7 through GS-14 will be by competitive selection (on the basis of merit). Competition for promotion shall be by Career Service. Selection for promotion will normally occur ^{ONCE} ~~twice~~ each year after entering the zone of consideration.
- d. Promotions will be limited to one grade except where double grade stages have been established by Heads of Career Services as the normal progression within the grade range GS-5 through GS-11.
- e. Normally, an employee's grade will correspond to the grade authorized for the position to which assigned. However, when the Head of a Career Service has selected an employee for promotion on a competitive basis and it is in the best interests of the Agency not to reassign him at that time to a position which will accommodate his promotion, he may be promoted in his current position above the grade of that position subject to the controls prescribed by this regulation. If an employee is in a position of a grade lower than his current grade, he must be reassigned to a position appropriate to accommodate a proposed promotion action *before he may be promoted.*
